# Director's Notes

Thank you for coming along to Trinity's 10<sup>th</sup> and brand new pantomime Scarlett and the Enchanted Forest. It has all the usual antics plus a few new ones. This is my first attempt at both writing a full script and directing here at Trinity.

The story is loosely what happened to Red Riding Hood after the well-known story you already know. She now lives in a little village of Buggleweed Pomegranate, which lies on the outside of an enchanted forest, which is home to some wonderful enchanted creatures (I had such fun making their costumes). Find out what happens when all their homes are threatened.

Writing it was the easy part. When it came to directing it has been both enjoyable and a challenge to say the least.

I want to thank everyone who helped along the way. My husband Karl for persuading me to write it in the first place, (unfortunately for him he now has to watch it.) My Trinity friends who read it and actually liked it. The Trinity committee for saying 'yes' to putting it on. Sophie and Chloe for their love and support and for being involved. Michael for being there when I needed help with directing. (Mind you, we are not short on directors.) Many members who kept me going when I found it hard. All the production team, for great sets, props, effects etc. I have a great cast, including some very talented children.

I appreciate sometimes I haven't been easy to work with but thank you for sticking with me to fulfill my vision. The whole thing took over my life for a while and I still can't quite believe this is my creation be performed on stage.

But here we are so sit back and enjoy it but keep an eye out for the wolf.

# We Are Trinity Players Barnsley!

We are always happy to meet new members so if you have a longing to tread the boards or get involved in any way, come along. We meet every Wednesday evening at this hall BUT!... Don't complain if you come along to do a bit of painting and end up on stage in a chicken costume. You have been warned!
