Director's Notes

Message from the crackpot that picked Improbable Fiction. Of all the plays I have directed I think this play is probably the whackiest.

Alan Ayckbourn takes us from a fairly low key meeting of Pendons Writers Circle to the craziest depths of his imagination in this his very clever & hysterical 69th play. He based the play on a real amateur writers club meeting that he attended as guest speaker. All I can think is there was a very mixed bunch of odd bods at that meeting.

We have had so much fun rehearsing the play. Thankyou to my wonderful cast & crew who made my job easy. It has been lovely to welcome new members to the group (Malcolm, Mon & Lesley) who I'm sure you will see again in future productions.

The techie guys have had fun creating some of the "special props and effects".... some you will see others we hope leave you thinking "how did they do that"?

Alan Ayckbourn is an incredible writer, listen carefully to act 1 as it sets the scene for act 2. I won't spoil it by saying anymore only that you will be talking about it all the way home.

I ought to mention this is Trinity players 70th Anniversary. 70 years of not only entertaining you, our lovely audiences but also giving a group of like minded people the pleasure of performing and creating live theatre, of making friendships that have spanned many of those 70yrs and will continue to do so for many more to come.

Thankyou for joining us tonight. Now it's time to sit back and have a dam good laugh.

The Team

SPECIAL THANKS

Thankyou for the support from other local am-dram groups in Wakefield, Barnsley and Pontefract.

Special thanks to Trish Johnson for the lovely Doblin the Goblin paintings and Loz Dobson for the Cherry blossom painting. Also Thank-you to Rachel Korcut for the chairs.

And special thanks to the Front of House team who are there for your safety and refreshments.

Teas and coffees are free in the interval and served by Dawn and the team.

Donations welcome.

Twiggs Central Area Clean Green and Tidy Team

We are very proud of our community engagement and development. We work with residents, businesses, schools, local key stakeholders and community groups whenever, wherever we can. We invest time and effort getting to know local businesses who can support our improvements.

Education is key for sustainability, and working with a large number of local schools, gives us a great opportunity to educate the younger generation towards a cleaner future. Our teams have vast knowledge and experience in what benefits the environment, and we cut no corners when striving for a cleaner and greener community. Even our Waste Transfer Centre operates within ISO 14001 for Environmental Management and strives for zero to landfill.

"The Horticultural Apprenticeship interested me as I love the outdoors and prefer to do physical work. I enjoy being hands on and my favourite part of the job is meeting new people. I want to make a difference to things many people care about. In the future my aim is to be a professional gardener and I hope to stay with Twiggs and work within the community."
