## Director's Notes

### DIRECTORS NOTES

**It is a distant memory now but I have appeared four times in the Norman Conquests – twice as Norman & twice as Tom.**

**That means I've played both roles in one of them but I can't recall which!**

**All that took place in Sheffield for Hallam Theatre Club.**

**Now, in 2023, I have chosen to direct the play "Table Manners" & I am honoured that our committee entrusted this to me in our 50th year.**

**You may recall that, as Farrar Street, we celebrated our 90th in 2022 but, owing to the name change to Trinity, we have shaved 40 years from that.**

**This name change, and the premiere of Table Manners, both occurred in 1973.**

**It has been a joy to work with these six actors although I can't be sure they'd return the compliment!**

**We have maintained the Trinity standard of excellence when it comes to presentation as you will see when the curtain opens. At that point it would be nice if the amazingly talented people responsible could receive a round of applause.**

**We wish you an enjoyable evening and a safe journey home hoping to see you all again soon.**

**Paul Taylor  
Director**

# The Team

## SPECIAL THANKS

Thankyou for the support of our Trinity Members.

And special thanks to the Front of House team who are there for your safety and refreshments.

Teas and coffees are free in the interval and served by Dawn and the team.

Please sign-up for our newsletter to hear about upcoming shows. You can do this on the main page of our website.

You can also 'like' our Facebook page where we often post news of upcoming events and shows.

## Twiggs Central Area Clean Green and Tidy Team

We are very proud of our community engagement and development. We work with residents, businesses, schools, local key stakeholders and community groups whenever, wherever we can. We invest time and effort getting to know local businesses who can support our improvements.

Education is key for sustainability, and working with a large number of local schools, gives us a great opportunity to educate the younger generation towards a cleaner future. Our teams have vast knowledge and experience in what benefits the environment, and we cut no corners when striving for a cleaner and greener community. Even our Waste Transfer Centre operates within ISO 14001 for Environmental Management and strives for zero to landfill.

"The Horticultural Apprenticeship interested me as I love the outdoors and prefer to do physical work. I enjoy being hands on and my favourite part of the job is meeting new people. I want to make a difference to things many people care about. In the future my aim is to be a professional gardener and I hope to stay with Twiggs and work within the community."

Lellani - Twiggs  
Horticultural Apprentice
